Kraft Classic®

The most exclusive promotional paper bag. They are admired for blending elegance and luxury. Perfect to hold jewellery, cosmetics, branded garments and footwear. Irreplaceable at exhibitions, trade shows conferences and presentations.

Minimum order quantity of 500 pieces.

Promotional imprint / finish

Promotional imprint	Offset printing up to 100% of the bag's area with a picture resolution up to 3,600 dpi (ruling 175). Imprint colours in the CMYK, HKS and Pantone systems. Imprint colours available in the system of colours: Pantone U – for uncoated papers, Pantone C – for coated papers.
Surface finish	Dispersion varnish (without lamination). Gloss lamination, Matt lamination.
Additional decoration	Dispersion varnish, Hot – print, Embossing. UV varnish (selectively) on matt lamination.
Printing limitations	Differences in the Pantone system printing on the Ecco Kraft papers and other coloured papers.

Folds and reinforcements

Top fold	The top fold with a width from 35 to 60 mm – the width depends on the bag's size. The top fold reinforced by a cardboard with a width from 800 to 1100 gsm – the stiffness of the fold depends on the bag's size.
Bottom of the bag	The bottom of the bag reinforced by a cardboard from 350 to 500 gsm – the weight depends on the bag's size.

Handles

Handle fitting	Handles thread through the reinforced top fold.
Types of handles	Polypropylene synthetic cord with secured ends (3, 4 and 5 mm thick). Cotton cord with secured ends (4 and 5 mm thick). Twisted paper cord (white or grey). Die-cut – the so-called "Market". PVC tube (5 or 6 mm in diameter). Polypropylene tape (15 or 20 mm thick).
Colours of handles	Standard colours: white, black, navy blue, blue, claret, yellow, light green, dark green, golden, silver. Possible to adjust standard handle colours to the promotional imprint.
Length of handles	Short handle: 2 x 50 cm – the standard length depending on the bag's size. Long handle: 2 x 80 cm – the standard length depending on the bag's size.
