Kraft Pack®

A series of bags without the top fold. Bags designed for packing light and small products.

Promotional imprint / finish

Promotional imprint
Offset printing with a resolution of 3,600 dpi (ruling 175).
Printing up to 100% of the bag's area. Imprint colours in the CMYK, HKS and Pantone systems.
Imprint colours available in the system of colours:
Pantone U – for uncoated papers, Pantone C – for coated papers.

Surface finish
Gloss lamination.
Matt lamination.
Dispersion varnish (without lamination).

Additional decoration
UV varnish (selectively) on matt lamination.
Hot Print (on selected formats).
Embossing.

Printing limitations
Differences in the Pantone system printing on the Ecco Kraft papers and other coloured papers.

Folds and reinforcements

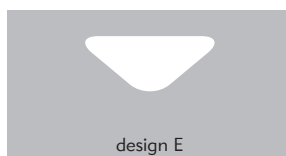

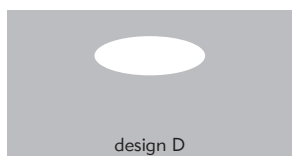

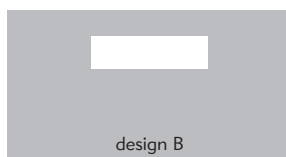

Top fold
No top folds.
The bag's upper edge reinforced by a cardboard insert from 400 gsm to 600 gsm – the weight depends on the bag's size.

Bottom of the bag
The bottom of the bag reinforced by a cardboard from 400 gsm to 500 gsm – the weight depends on the bag's size.

Handles

Handle fitting
The bag's upper edge is reinforced by a cardboard insert from 450 gsm to 600 gsm – the weight depends on the bag's size.

Types of handles
Die cut handles – one of 6 typical handles.
Any handle shapes for orders exceeding 2,000 pieces – the shape subjects to the graphic studio's approval.

Colours of handles
Not applicable.

Length of handles
Not applicable.
